Engine Air Replacement Filters
for Fleetguard® Direct Flow™ Air Cleaners

Protects and Performs

Donaldson
BLUE

Fleetguard® and Direct Flow™ are registered trademarks of Cummins Filtration, Inc.

The **most powerful** air filtration technology meets **sure-seal** know-how

Donaldson Blue® replacement filters incorporate **many of our most advanced air filtration technologies** into a complete package. They're specifically designed to fit and proven to perform in Fleetguard® Direct Flow™ air cleaners.

- **Proven** RadialSeal™ Sealing System
- **Proven** Ultra-Web® Fine Fiber Media
- **Proven** PowerCore® Technology or Pleated Filter Design

Take charge of your engine protection. You have the power to choose the best filter for your Fleetguard® Direct Flow air cleaners.

Choose **Donaldson Blue Air Filters**.

OEM

**New Look.
Sure-fit Seal.**

Donaldson

BY THE NUMBERS

Donaldson Blue[®] Air Filters — Built-in Performance

Donaldson Blue air filters for Fleetguard[®] Direct Flow[™] air cleaners were tested head-to-head against OEM filters. Both sets of filters were bombarded with dust, vibrated and shaken, and then carefully examined.

As expected when tested per ISO 5011, Donaldson Blue filters perform well on the important characteristics of dust capture — where they reached 99.97% overall efficiency — and capacity (filter life). It's when we compare sealing technology that Donaldson filters really stand out.

Donaldson Blue filters with RadialSeal[™] technology deliver two sealing advantages.

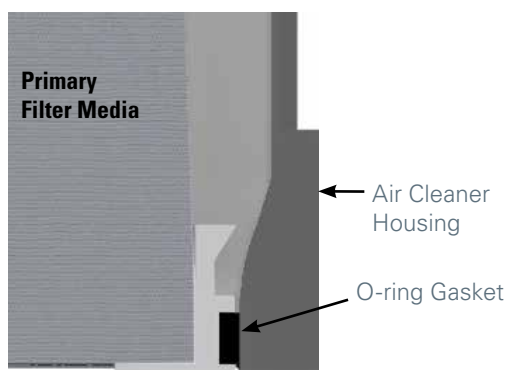

50% more sealing area & **2x** more gasket compression

THAN FLEETGUARD[®] DIRECT FLOW[™] AIR FILTERS

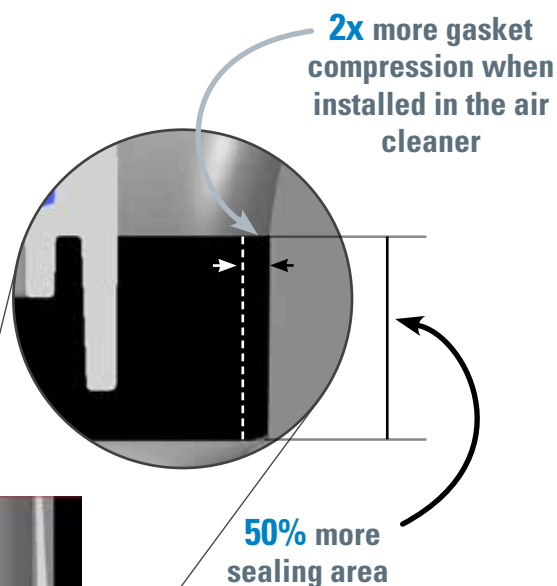

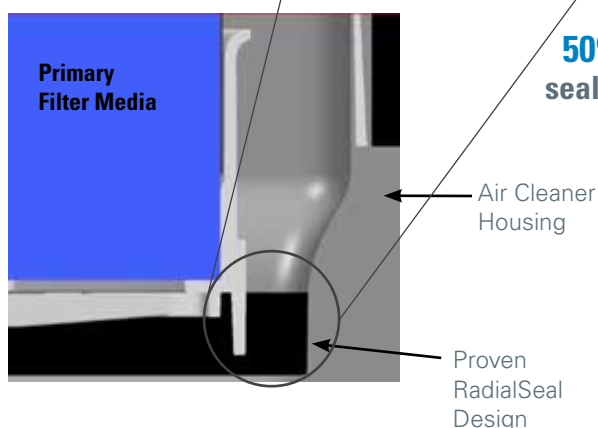

Compared to the thinner OEM o-ring design, the Donaldson Blue filters deliver **50% more sealing area** and **have up to two times more gasket compression** around the frame for a sure-fit seal.

Air Cleaner and Primary Filter Cross Section

Fleetguard Air Filter

Donaldson Blue Air Filter

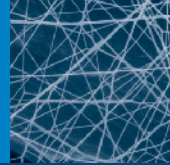

Donaldson Blue[®] air filters — where innovation and proven performance work together

RadialSeal[™] Technology

- Industry-changing innovative Donaldson seal frame and gasket design
- Flexible and reliable sealing material creates a sure-fit
- More than 25 years of proven performance in diesel engines

Ultra-Web[®] Media

- Protects engines and helps them last longer by providing better initial and overall efficiency compared to conventional cellulose media.
- High dust-holding capacity promotes longer filter life
- More than 20 years of proven performance in diesel engines

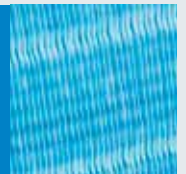

PowerCore[®] Technology

- Rugged construction holds up in heavy-duty work environments
- Dust encapsulation makes servicing easier and cleaner
- More than 15 years of proven performance in diesel engines

Pleated Design

- Pleated media technology maximizes performance for available space claim
- Pleat ends are fully enclosed in urethane, providing a durable, leak-resistant seal, while maintaining airflow that meets OE filter performance.
- Pleatloc[™] media spacing ensures uniform pleat spacing, keeps filter media from bunching during operation and promotes longer filter service life.

You Have a Choice

Choose Donaldson Replacement Filters

You can always choose top-quality Donaldson filters designed specifically for your engines and equipment, and — as long as you change them according to the engine manufacturer's recommendations — using Donaldson filters **will not** void your engine manufacturer's warranty.

See Brochure F110064 for complete warranty details on all Donaldson products.

Finding your Donaldson filter online has never been easier.

DISCOVER.

Looking for a complete filtration system or advice on choosing the right filter option? Go online to donaldson.com to learn about the broad range of filtration solutions offered by Donaldson – and to help you decide which option is right for your application.

DECIDE.

If you're an equipment owner that needs to purchase filters and parts – it's easy to find the right Donaldson part, make an online shopping list and even request a quote from one of our distributors. We make finding filters *easier than easy* at shop.donaldson.com.
